

New Director, Real Estate & Leasing hired at the Toronto Lands Corporation

Toronto Lands Corporation (TLC) is pleased to announce the hiring of Ryan Glenn, as Director of Real Estate & Leasing, effective November 1, 2022.

Ryan comes to TLC from CreateTO, the City of Toronto's Real estate agency, where he was Vice-President, Client and Stakeholder Relations. In this role with CreateTO, Ryan was responsible for the identification of strategic real estate opportunities for all Divisions, Agencies and Corporations of the City of Toronto, as well as external partnerships. These skills, along with his ability to work collaboratively and strategically with fellow civil servants, politicians and the public will be a huge strength for TLC as we work to transform student learning environments.

Having spent the last 16 years with the City in Revenue Services, Real Estate Services, Parks, Forestry & Recreation before moving to CreateTO, Ryan has worked on TLC projects and is familiar with TLC's mission and vision, as well as the unfolding modernization strategy that aims to unlock the potential of Toronto District School Board (TDSB) properties for the benefit of students, staff and their communities. His expertise in public asset real-estate and partnerships combined with strong communication and interpersonal skills will be a great asset to TLC and TDSB on the journey to renewing Toronto's public schools.

The Toronto Lands Corporation is the wholly owned subsidiary, and exclusive real estate services provider to the Toronto District School Board. With specific expertise in real estate, leasing and land use planning, TLC's mission is to unlock the potential inherent in the TDSB property portfolio of over 600 properties and provide advice and opportunities that promote the accommodation and well-being of students in modern and innovative schools, while preserving public assets and collaborating to create communities where people learn, live, work and play.
